

**COMMUNITY CONSULTATIVE COMMITTEE MEETING No. 5
MONDAY 29 MARCH 2004
AT THE WOOD CENTRE HUONVILLE**

Meeting opened at 5.40pm

Present: Dario Tomat, David McGrath, Malcolm Thomas, Laurie Dillon, Tim Tierney, Mike Bouffard, Basil Hickey, Chris Emmett, Gary Baird (John Holland), Jean Grosse (facilitator). Ken Last [NST], Jim Bellamy [NST], Chas Kelly , Ian Newman [Chas Kelly], Paul Watson [Chas Kelly]

Apologies: Holly Hansen

Minutes from previous meeting confirmed as correct.

Business Arising: Tonight we will be talking about the environmental Plan.

Correspondence In/Out: Nil.

Environmental Review: Jean gave a rundown of the general procedure for the evening. There is 92 items to go through in the aspects and impacts register along with the Environmental Health and Safety Policy.

Some minor changes identified to the E,H and S policy which Dario will incorporate and re-issue, along with the inclusion of the “Principles of sustainable development” from the relevant state legislation.

Jean explained that the scoring for the Frequency/probability, severity and public sensitivity was 1=low 5=high. Scores above 5 were invalid and will need to be changed. Jean recorded any changes required to the scoring for Dario to amend and re-issue.

Chas Kelly Presentation: Chas Kelly from Chas Kelly Transport made a presentation to the group emphasising that his company was a Tasmanian company, employing some 100 Tasmanians and that he is committed personally to ensuring that the community remains well informed about, and able to contribute to the running of the transport vehicles for Neville Smiths timber products..
